Effective as of January 1, 2026

Useful definitions

PMG/IPA

A participating medical group (PMG) or independent practice association (IPA) is a group of physicians organized as a legal entity that provides services to health maintenance organization (HMO) members.

Prime code

Anthem's identifying number for its contracted PMGs and IPAs.

County

Primary county where the PMG or IPA offers services. A medical group's primary location or headquarters may be based in one county with satellite offices in other counties.

CaliforniaCare

Anthem's broad HMO network for the state of California.

Select HMO

This network is built around those PMGs and IPAs demonstrating highly efficient practice patterns and hospital referrals.

Priority Select HMO

This network is built around those PMGs and IPAs demonstrating very efficient practice patterns and hospital referrals in these Southern California counties: Los Angeles, Orange, Riverside, San Bernardino, and San Diego.

Vivity

Vivity is a first-of-its-kind health plan in Southern California. Top-ranked health systems have come together with Anthem to create a value-based-care model that delivers a seamless member experience with quality, coordinated, and cost-effective care. Vivity offers unique features that expand access and choice of providers within Vivity's network of PMGs and IPAs.

Updates (from the July 2025 version):

Heritage Provider Network medical groups are now part of the Priority Select HMO network.
